

# Now Offering: ONLINE Professional Development Sessions

The Early Childhood Academy is excited to announce that we are now offering Professional Development training opportunities online. Registration for training will be the same as the Online Health and Safety Training.

The three new Professional Development courses are:

Assessments: Bridging Teaching and Learning

Communicating to Build Relationships with Families

COVID-19: What Does It Mean for Childcare?

Registration link for online courses: <https://eca.catalog.instructure.com>

Please contact your local ECA for assistance with registration.
